A SPACE JUST FOR YOU

The Joy Makers Workshop is a hands-on session at our Toy Workshop where you will meet other young carers your age. No pressure to explain your caring role - just the chance to create Joy Boxes packed with toys, school stationery and sports equipment for junior young carers. Share lunch, enjoy creative experiences, and be part of the CaringKids fun.

You'll leave knowing you have created something with your own hands that will make a young carer feel seen and appreciated, plus a Gift from us to you.

Ages 8-16 | Free to attend | Trained facilitators
