

ABOUT CARINGKIDS

CaringKids is a registered charity that brings joy to children providing care to a family member living with a disability or chronic illness. Our Mission is to reconnect young carers to the joy and wonders of childhood. Our Vision is a world where play time is recognised as an essential need for young carers, enabling them to grow into healthy, resilient and compassionate adults.

WHAT WE DO

CaringKids pursues its Mission and Vision through the sharing of our Joy Boxes. Our boxes are personalised to each carer and are packed with toys, games, art and craft materials, puzzles, school stationery items and sports equipment.

WHY WE DO IT

- Every child deserves to enjoy the fun and carefree moments that we associate with **childhood**.
- **1 in 10 children in Australia** have taken on caring for a family member with a disability. These adult responsibilities mean they often miss out on many of the joys of childhood that most kids take for granted.
- We believe in **play therapy** – creative and stimulating activities that help young carers to make sense of their world and have some much-needed relief from adult responsibilities.

ALL DONATIONS OVER \$2 ARE TAX DEDUCTIBLE
